In addition to a wealth of 19th century architecture, Cincinnati is also home to numerous modernist buildings and residences. Cincinnati Modern Architecture- A Retrospective examines several local iconic 20th century architectural treasures, including Terrace Plaza Hotel and Greenhills. The work of celebrated modernist architects, including Abrom Dombar, Woodie Garber, and Carl Strauss, is also explored.

The exhibit is on loan from the modernist architecture organization Cincinnati Form Follows Function (CF3). CF3 created the exhibit in collaboration with the Cincinnati Preservation Association, Enriching Spaces, and the Greenhills Historical Society.

The Betts House is open Tuesday through Thursday, 11 am - 2 pm, and the 2nd and 4th Saturdays of each month, 12:30 - 5 pm.
