**ASCE Cincinnati Section Program
An Evening at the Greenest Zoo in America
September 22, 2011 (4th Thursday)**

Please join ASCE at our initial monthly meeting of the 2011/2012 program year for a private tour and presentation at the Cincinnati Zoo & Botanical Gardens highlighting the Zoo's commitment to a sustainable future. A presentation by Mark Fisher, UC Civil Engineering Graduate and Cincinnati Zoo Senior Director of Facilities, Planning, and Sustainability will present a diverse and exciting portfolio of recent environmentally sustainable projects including LEED Certified facilities, alternative energy infrastructure including the largest urban solar array in the U.S., and low impact operational processes.

PDH for this meeting: 1.5 hours (Please indicate with RSVP if you would like a PDH Certificate).

The program schedule is as follows:

- 5:00 pm – Registration at the Main Entrance on Vine Street (ASCE check in table)
- 5:15 pm – Zoo Facilities Tour
- 6:00 pm – Hors D' Oeuvres & Cocktails
- 6:30 pm – Open Air Buffet Dinner in Historic Vine Street Village (Indoor back-up option available in case of adverse weather)
- 7:00 pm – Zoo Presentation
- 7:30 – 9:00 pm – Open Exhibits

Children are welcome to attend and can participate with adult supervision in a Zoo Scavenger Hunt and enjoy the exhibits.

Price (Includes Parking and Admission): \$25.00 for ASCE Members, \$35.00 for Non-Members, \$10 for Children and Students.

Online meeting registration and credit card or paypal payment is available at <http://sections.asce.org/cincinnati>. RSVP's may also be made to Matt Gramza by phone (513.985.0226) or email (mgramza@cecinc.com). For online registration, please use the comments section to include additional attendees names if registering for more than one. **RSVP deadline is 5:00 pm Wednesday September 14th, 2011.** Cash and check payment options will continue to be available at the meetings.

Other News: Meeting sponsorship is available for this and future meetings. Sponsorship includes your company name on the flyer and a table to set up a display at the meeting. If you would like to suggest a topic or more importantly, would like to make a presentation, contact Matt Gramza as indicated above.
