Bob Gavin is Risk Manager at Selvaggio, Teske & Associates, a Division of Oswald companies and has over 25 years experience in the area of professional liability loss prevention and claims. He is responsible for contract review services and developing and delivering risk management and loss prevention seminars to STA's clients and prospective clients.

Prior to joining STA, Bob held a similar position at a regional insurance agency in Ann Arbor, Michigan. In addition, he served as general counsel for one of the country's largest architectural firms. He worked for many years as a Claims Attorney for some of the largest professional liability insurance carriers in the United States and was a Construction Arbitrator for the American Arbitration Association. He holds a B.S. Business, University of Illinois and Juris Doctorate, Chicago Kent College of Law. In addition he has earned the Chartered Property Casualty Underwriter designation, the Associate in Claims designation and the Associate in Risk Management designation from the Insurance Institute of America.

Bob frequently presents risk management topics to design professionals covering risk management and loss prevention issues such as client selection, managing contracts, negotiation and electronic filing and communications.

Bob is an affiliate member of the AIA Columbus.
